E-mail Address:

Requested Grant
Amount:

(Maximum \$2,500)

1. Summarize your organization's mission statement, current programs and the benefits of the organization to the broad community.
2. Attach a copy or list the current members of the Board of Directors and their resumes.
3. Summarize your organization's principal means of financial support and attach a copy of your current audited financial statement.
4. Describe the major goals, purpose, and objectives of the project/campaign for which funds are requested.

5. Provide a list of specific, measurable ways in which the grant is projected to benefit the community. Provide starting benchmarks against which the project will be measured (if applicable).

6. Provide a detailed project/campaign budget and list future funding needs if the project is to continue.

7. List other sources of financial aid for the project/campaign, indicating amount applied for and whether the application is pending, granted, or denied, as well as funds raised to date.
