

## FIELD TRIP GRANT GUIDELINES

3 Rivers Communications proudly supports events and activities that benefit the youth in our communities and the schools that we serve.

We offer this grant opportunity to all our local school districts. The program is set up to provide up to \$400.00 for extracurricular field trip costs. This grant is available to each school district once per school year.

Any outside the classroom learning experience that you would like to take your students to would be included in this program. The grant can be used for admission/participation fees, transportation expenses, lodging or other costs associated with the field trip up to the \$400.00 limit.

Once the trip is completed please send any photos or comments from the students, teachers, or parents about the trip that we could use in our newsletter or on our Facebook page.

**ALL REQUESTS MUST BE IN WRITING.** You can mail or email the application to Susan at [susanw@3rivers.coop](mailto:susanw@3rivers.coop) or 3 Rivers Communications
