## HOUSEHOLD WORKSHEET

Only ONE Lifeline service may be obtained per household. "Household" is defined as any individual or group of individuals who live together at the same address as one economic unit. An "economic unit" is defined as "all adult individuals contributing to and sharing in the income and expenses of a household." Lifeline support is available to eligible low-income consumers living in group-living facilities. As a Lifeline applicant, you must demonstrate that any other Lifeline recipients residing at your residential address are part of a separate household. If there are multiple unique households at your address, as defined in this program, please also complete and submit the Household Section below.

For example, if you live in an apartment building, in a nursing home, or in another type of multi-dwelling facility. This will assist us in being able to respond promptly to your request for Lifeline benefits. Answer the questions below to determine whether there is more than one household residing at your address.

1. Does your spouse or domestic partner (that is, someone you are married to or in a relationship with) already receive a Lifeline-discounted benefit? (Check no if you do not have a spouse or partner)  YES  NO  
▶ If you checked YES, you may not sign up for Lifeline because someone in your household already receives Lifeline. Only ONE Lifeline discount is allowed per household.

3. Do you share living expenses (bills, food, etc.) and share income (either your income, the other person's income or both incomes together) with at least one of the adults listed above in question #2?  YES  NO  
▶ If you checked NO, then your address includes more than one household. Please initial lines A and B below, and sign and date the worksheet.

4. Do any of the adults listed in question #2 already receive a Lifeline-discounted benefit?  YES  NO
