By completing this form, I understand and agree to the following terms.

- EBB is a government program that reduces the member's broadband Internet access service bill.
- This benefit is temporary in nature and the discount will go away when the money is gone or when DPHHS declares an end to the COVID-19 health emergency.
- Households will need to opt-in or request to continue broadband services with their provider, even if they had service with the same provider before enrolling in this program.
- Household will be subject to 3 Rivers' undiscounted rates and general terms and conditions at the end of the program if they continue to receive service.
- Households may obtain broadband service supported by the EBBP from any participating provider of their choosing.
- Households may transfer their EBBP benefit to another provider at any time.
- Discounts are available on a first-come, first-serve basis to qualifying households.

I have read, understand and agree to the above terms and conditions.
