

# Manage Your Account Through SmartHub!

3 Rivers' SmartHub is the easy and convenient way to manage your account online. Pay your bill, view your account balance, set up automatic payments, print past bills and more. But you don't have to pay your bill through SmartHub to take advantage of options and settings that can make your life easier.

Through SmartHub, you can sign up to get notifications when there is a planned service outage—by email, text or phone recording. SmartHub also lets you manage your account in other ways—update personal info, receive payment confirmation, change privacy settings and more. A mobile app is also available.

## ***More reasons to use SmartHub***

- It's FREE!
- SmartHub is a protected, secure site.
- 100% controlled by you from sign-up to password choice to where you want to have email notifications sent.
- Option to pay on-line using Visa, MasterCard, American Express, Discover or on-line check.
- View your unbilled long distance online—no surprises at the end of the month.
- View digital versions of materials that are mailed out to paper customers on 3rivers.net.
- Access from any computer, anywhere, anytime.
- FREE mobile app.
- "Pay now" option.

Check out the "My Account" link on 3rivers.net  
or call us at 467-2535 (800-796-4567 toll-free if outside of 3 Rivers' local calling area).
