

Dear 3 Rivers Cooperative Member:

Thank you for signing up for 3 Rivers Communications' High Speed Internet service, delivered to you via 3 Rivers' new state-of-the-art Fiber-To-The-Premises network! We hope you are taking advantage of your lightning fast Internet to connect all your smart home gadgets, stream HD video, play online games and more! And if it's not fast enough for you, even higher download speeds are available. Give us a call if you want more details.

Everything you need to get your Internet service up and running is contained in this kit. A 3 Rivers Customer Service Representative will contact you by email or postcard when provisioning of your High Speed Internet service has been completed. Your new High Speed Internet service will not work until this has happened.

After you have been notified, simply follow the enclosed set up instructions for connecting your router and modem and updating the necessary settings on your computer.

Should you have any questions about your new High Speed Internet service, please don't hesitate to call us. For customer service and 24/7 technical support, please call 1-800-796-4567.

Thank you.

Your 3 Rivers Internet Team
